I. Executive Director's Report	<p>Ms. Gresham stated our local area will receive an increase of 23% overall in WIOA funding for PY '19, due to higher unemployment rates in NYS compared to other areas of the country. The increase in Youth funding also allows us the opportunity to increase funding to our contracted Youth providers. The MOU for Service Delivery (MOU), the 2017-2021 Local Plan, and the Infrastructure Funding Agreement (IFA) have been developed by staff and partners. The IFA is with NYSDOL for review. After their review is completed, it will be returned to the local area to be signed by the County Executive, the Mayor, and our partners. The MOU and Local Plan are awaiting Mayor Brown's signature, and will be sent to NYSDOL for approval. NYSDOL has expressed concern that the documents have not been signed, and will contact the Mayor's office directly.
